

HARNESS RACES ON FAIR TRACK.

In 2:20 Trot and Pace, Nigger Boy Had Hard Times to Win.

MORE SHADY WORK IN RUNS.

Judges Kept Busy Warning Jockeys Not to "Pull" Their Mounts—Evident Frame Up.

There seems to be a disposition among some of the horsemen down at the state fair track to frame up some of the running events. In justice to Harry Curtis and other officials, it must be said that they are doing all in their power to prevent any of a shady nature. They were kept pretty busy yesterday afternoon warning the strong armed jockeys to ride on the square, and they had a hard time to make an impression.

In the five furlongs event only three animals started. One was from the stable of Low Angelino who took the lead away from Red Damsel and won in a walk.

The quarter-mile country race was won by Little Dutch after the horses were given a walk.

The last race of the day was the 2:20 trot and pace. It required six heats to decide a winner, the eight being between Nigger Boy and Harry Curtis. The last named animal looked like a winner for four heats when she "blew up," and the fight was between Nigger Boy and Chester S. Nigged Boy finally capturing the final heat and the race.

WYOMING HUSKIES.

Eighteen of Them Coming to Meet Utah Saturday Next.

The Wyoming football team is due in Salt Lake Friday evening, 18 men strong. The game Saturday will be called at 3:30 o'clock in order to accommodate those who cannot come earlier, and after the game the team will hold a dance. The visiting team will be guests of honor. Last night a large number of scrubs turned out to receive the brunt of the serumage work of the early elevators. It is from the elevators that next year's men will come, hence the men have some hope in working, even if it is a distant one.

The student body executive committee has appointed a committee to receive and entertain the Wyoming team while in Salt Lake.

Every Throb

Of My Heart Was Plainly Felt, and Sometimes Very Painful.

If your pulse is too strong, and your heart throb so that you can feel the force of the heart-beat against your chest, your heart is weak and needs attention.

This is usually caused by long continued palpitation, over-work, excessive exercise, heart strain, and the condition indicates serious heart trouble. You should act at once.

The very best thing to do is to take Dr. Miles' New Heart Cure, a remedy that will strengthen the nerves and muscles of the heart, and restore them to their normal condition.

If you neglect to do this, disastrous consequences will surely follow. You will have smothering spells, pain in the heart, faintness, the valves of the heart will become leaky, and the heart left in a death struggle.

"My heart bothered me so that I could feel every pulsation. Could only sleep well at night, and when I awoke the heart had all the signs of symptoms of heart trouble. I took about 15 or 20 bottles of Dr. Miles' Heart Cure and am completely cured. I have had no symptoms of heart disease for two years." —DR. MILES' MEDICAL CO., LABORATORIES, ELKHART, IND.

Great Britain's desire for a rapprochement with Russia has brought about the distinct diplomatic suggestion that Great Britain is ready to give fuller recognition to Russia's privileged position in southern Turkey, notably at Constantinople and along the Bosphorus.

Russia's ambitions in that direction have, heretofore, encountered strong opposition in England.

The view of French official quarters is distinctly favorable to an Anglo-Russian rapprochement. It was one of the projects of M. Delcasse when foreign minister to have King Edward visit Emperor Nicholas as a means for furthering the reconciliation of Russia and Great Britain.

Concerning the proposed German-Russian agreement, strong elements in both countries favor an accord as a counterpoise to the Anglo-Japanese alliance. I know that it has cured consumption in the first stages." Sold by F. J. Hill Drug Co.

HEARST FOR MAYOR OF N. Y.

ON MUNICIPAL OWNERSHIP

New York, Oct. 4.—W. R. Hearst was named as a candidate for mayor at a municipal ownership mass meeting tonight in Grand Central palace, and a committee appointed by J. G. Phelps-Stokes who presided, will see to the remainder of the ticket.

Reserve officers of the old party as being dominated by trust interests and declaring that the people of New York should elect officials to oppose corporations were adopted with much enthusiasm and much cheering followed the reading of a letter from Rev. Dr. Charles H. Parkhurst, in which he praised the growing demand for government interference to protect the public from the tyranny of monopolists.

Mr. Hearst was hailed with enthusiasm and applause. He denounced the Republican and Democratic parties.

Immediately after Mrs. Hearst's speech a man in the audience moved that the speaker be nominated for mayor and the motion was seconded and carried with enthusiasm.

After Chairman Stokes had announced that he would appoint a committee to complete the ticket provided Mr. Hearst accepted the nomination, the convention adjourned.
